### **Prime Lambs - 150**

The lightest yarding of prime lambs in quite sometime sold to a small number of buyers with the market still holding steady on last week. The light yarding is an indication of the current dry climate and that lambs are struggling to do well with a lack of good feed.

Tops	\$100 - \$110
Good	\$90 - \$100
Mediums	\$85 - \$90
Light	\$80 - \$85

### **Prime Ewes - 200**

Again a small yarding as the bulk of the cull ewes have been sent already or vendors are holding off hoping for a schedule lift. Values were back slightly on previous weeks, a reflection of sliding schedules.

Tops	\$70 - \$80
Good	\$60 - \$70
Mediums	\$50 - \$60
Light	\$40 - \$50

### **Store Sheep - 1500**

Medium sized yarding met with limited demand. Values managed to hold steady for healthier lambs. Smaller lambs were tough going but sold alright on CPK values at approx \$1.90/kg lw.

Tops	\$50 - \$60
Good	\$40 - \$55
Medium	\$40 - \$55
Light	\$25 - \$40

**Prime Cattle (per Kg) - 250**

A yarding made up of mostly cull dairy cows sold in line with recent schedule falls. Good quality prime steers and heifers were again in good demand.

Steers                 \$2.30 - \$2.56

Heifers               \$2.00 - \$2.40

Cows                   \$1.40 - \$1.76
