### **Prime Lambs - 1700**

With only a medium sized yarding on offer the demand certainly outstripped the supply. Medium weight lambs were in hot demand and many buyers struggled to pick up numbers. Overall the market was ahead on previous weeks by \$5+ per head.

|         |               |
|---------|---------------|
| Tops    | \$146 - \$156 |
| Good    | \$130 - \$144 |
| Mediums | \$125 - \$130 |
| Light   | \$110 - \$120 |

### **Prime Ewes - 700**

Good yarding again at Coalgate this week with the top of the tops making \$139 per head. Medium types were around \$100 per head. Lighter ewes again in demand making between \$75 to \$85 per head.

|         |               |
|---------|---------------|
| Tops    | \$120 - \$130 |
| Good    | \$110 - \$120 |
| Mediums | \$95 - \$105  |
| Light   | \$75 - \$85   |

### **Store Lambs - 200**

Only a small offering of store sheep. Buyers were very cautious and only lambs with length in the tooth and short term sold well. A small offering of ewes and hoggets with lambs at foot achieved fair value.

|                 |             |
|-----------------|-------------|
| Tops            | \$80 - \$90 |
| Good            | \$80 - \$90 |
| Mediums         | \$70 - \$80 |
| Ewes with lambs | \$64 - \$79 |

**Prime Cattle (per Kg) - 130**

Prime cattle were in good demand with prices firmer for all classes of prime stock.

|         |                 |

| Cows    | \$1.71 - \$2.20 |
| Bulls   | \$2.20 - \$2.40 |

**Store Cattle - 350**

Majority of yarding was made up of beef bred yearling heifers which were met with strong demand making up to \$2.93 per kg.
