Weaner Calf Sale

28th November 2017

Weaner Calves

A very keen buying gallery and a quality yarding of weaner calves ensured vendors were well paid for their effort of rearing calves. The market peaked at \$650 per head for Charolais cross mixed sex calves. Hereford/Friesian cross steers sold for up to \$580 per head, Hereford/Friesian cross heifers sold for up to \$570 per head.
